MEMORANDUM FOR: President, EAA

FROM :
EAA Coordinator

SUBJECT : Purchase of Camping Equipment

1. We presently have six tents which must be replaced for camping as a result of wear and tear caused by camping activities. The CY-81 budget has a request in it for \$300 (the same as CY-80) to purchase camping equipment.

2. Montgomery Wards is presently running a one-half price sale on tents through c.o.b. 18 February (tents which normally cost \$89.99 are on sale for \$44.97). Since we will not address the new budget until 20 February but can anticipate that the camping budget will be approved, your approval is requested to authorize EAA to make the purchase of the needed six tents.

Deadline Date, if applicable

ASAP

Justification:

The nearest telephone, after duty hours, is at one of the two access gates to the CIA Compound. Having to drive to either of them could waste precious time in an emergency.

Special Considerations, if any:

All that is actually needed is a phone that could be used to contact the Security Duty Officer, or the FPO Office.

Attached are the rules and regulations which, with your approval, we will promulgate for the use of the EAA Athletic Area. We obtained a similar type form from the U.S. Department of the Interior and have added some rules and regulations of our own. (Attachment A)

We are also concerned that in case of an emergency at the field on either Saturday or Sunday there is no access to a telephone to call for assistance. Therefore, if you have no objection, I will forward the attached request to LSD asking that an emergency telephone be installed at the athletic field, connecting the field with the SDO/FPO. 1. DD/PPP&M/SP				<p>Attached is a request for use of the EAA Field for a COMMO Picnic. In anticipation that this might be favorably considered, we are working up some "rules" for use of the area, using a list of "do's and don't's" from one of the area parks as a guide. In this particular case, our major concern is insufficient parking. We will be presenting our suggestions in the next few days. In the meantime, I wanted to make you aware of the request. Also I think we should alert the Office of Security and get their reaction. STAT MEMORANDUM FOR: [REDACTED]
Executive Officer, EAA
STAT FROM: [REDACTED]
SUBJECT: Picnic on EAA Ball Field Grounds

Bill,

As discussed with you today on the phone, some OC retirees are planning a picnic for 3 May (rain date - 10 May). They have asked me to inquire about the availability of the EAA ball field for the picnic. If it is available, the group will be responsible for ensuring that the grounds will be left as found. Further, there will be no public dispensing of alcoholic beverages; attendees will furnish their own beverages and food items.

I have no idea how many will be attending but would guess somewhere around 200 as both current employees and retirees will be invited.

STAT There is considerable work to be done by the picnic committee and I would appreciate a decision from you as soon as possible, hopefully no later than the week of 9 March. I can be reached on extension [REDACTED]
